Alican Tekin is registered as a trademark attorney before the Turkish Patent and Trademark Office.

He completed his LL.M degree on Economics Law with his thesis on “*Invalidation and Non-use Cancellation Actions in Turkish Intellectual Property Law*”.

Alican provides consultancy and attorneyship services for domestic and international companies from various industries including telecommunication, fashion, automotive, media and retail in every stage of trademark and design prosecution matters before the Turkish Patent and Trademark Office and WIPO.

His practice is focused on filing national and international trademark and design applications, well-known trademark applications, opposition and appeal proceedings, handling renewals, assignments, mergers and annuities among others.

Mr. Tekin has also been providing consultancy services to domestic and international companies for management and protection of their IP rights in Europe, MENA region, North and South America and Far East. His experience in the region covers handling settlement negotiations and managing all kinds of proceedings before the local patent offices.

He also takes an active role in market investigations, customs proceedings and trainings and other related activities in the field of brand protection.
