He is registered as an attorney at law before the Istanbul Bar Association.

He supports foreign and domestic clients from various industries including automotive, fashion, cosmetics, alcoholic beverages, retail chains and media in trademark, design and unfair competition related disputes.

His practice focuses on enforcement and litigation matters including the criminal court actions before the Criminal IP courts of First Instance and Courts of Appeal, handling customs proceedings and conducting criminal raids and seizures within the scope of determination and cessation of IP rights violations.

He also takes active role in infringement, invalidation and cancellation actions related to trademark, design, copyright violations and unfair competition in addition to handling the settlement negotiations at the (pre) litigation phase.
